Bethesda Chevy Chase Baseball, Inc. Manager Application Spring 2003

Applications for the Spring 2003 season are due by November 8, 2002. Teams are only guaranteed a spot if the team packet is received in the League office by November 8, 2002. Team packets received after that time will be taken on a first come, first served basis until we reach our limit.

Instructions for Submitting a team:

1. Distribute the player applications as soon as you receive them.
2. Recollect player applications with checks.
3. Fully complete Manager and Coach Applications – including projected roster. If you are both a Manager and Coach you need only to complete the Manager Application.
4. Mail all applications to the league office by November 8, 2002.
5. ***Incomplete team packets may be returned to the Manager.** It is the responsibility of the Manager to “track down” any missing player applications. A complete packet includes: Manager Application with roster and at least the majority of the player applications.

We will not save slots for players who do not get their applications in on time – even if they are listed on the projected roster and have been on the team before. No player can be placed on the official roster without properly being registered with the league. The league office will fill any open roster slots. Late applicants will be taken on a first come, first served basis until the team is full. A player is not insured unless his/her name is on the official roster provided by the league.

Although the league will try its utmost to avoid conflicts if you coach more than one team, conflicts may be unavoidable.

The league orders a range of sizes of uniforms for each team. However, let us know on the comment section of this form if there are any size issues for your team (i.e. a particularly small or large child on the team). Make sure that the larger players get the larger shirts and the smaller players get the smaller shirts. In other words, don't have the players pick the shirts just by number - be conscious of size.
